Instructions

As a higher education institution in Illinois, your school must provide an annual report with data and information related to the implementation of the Preventing Sexual Violence in Higher Education Act (Act). Your report is due to the Illinois Department of Human Rights and the Illinois Attorney General's Office by November 1st of each year. *See* 110 ILCS 205/9.21(b). The annual report covers data and information concerning the preceding calendar year (e.g. the 2020 annual report covers data from January 1 – December 31, 2019).

This form provides guidance for reporting to the Illinois Attorney General's Office. Schools may, but are not required to, use this form for their report. A complete report must include the documents identified in Part A and the data requested in Part B. Part C provides space, if desired, for your school to include information to explain, contextualize or clarify data or information provided in Parts A and B. Your school may submit its Annual Security & Fire Safety Report (i.e., Clery Act Report) and, if necessary, supplement it with additional data and information to fulfill the Preventing Sexual Violence in Higher Education Act's reporting requirements.

If your institution fails to submit a report, or submits an incomplete report, it will be listed on the Illinois Attorney General's website as an institution that is not in compliance with the Act.

For more information regarding the reporting requirements, please read the Frequently Asked Questions Regarding the Act's Reporting Requirements, which you can find on the Illinois Attorney General's website at <http://www.illinoisattorneygeneral.gov/rights/civilrights.html>.

No Exemptions

No employee, contract worker, student, vendor, or other person is exempt from the prohibitions in these policies.

The Act

In 1990, Congress enacted the Crime Awareness and Campus Security Act of 1990 (Title II of Public Law 101-542), which amended the Higher Education Act of 1965 (HEA). This act required all postsecondary institutions participating in HEA's Title IV student financial assistance programs to disclose campus crime statistics and security information. The act was amended in 1992, 1998, 2000 and 2008. The 1998 amendments renamed the law the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act in memory of a student who was slain in her dorm room in 1986. It is generally referred to as the Clery Act and is in section 485(f) of the HEA

On March 7, 2013, the Violence Against Women Reauthorization Act of 2013 (VAWA) (Public Law 113-14) was signed into law. VAWA includes amendments to the Clery Act. These changes require institutions to disclose statistics, policies and programs related to dating violence, domestic violence, sexual assault and stalking, among other changes.

Although the HEA is the law that governs the administration of all federal higher education programs, as used in this handbook, HEA refers only to the Clery Act and other safety- and security-related requirements applicable to institutions under the HEA.

Title IX Coordinator

The Title IX coordinator is the responsible employee of the recipient with major responsibility for Title IX compliance efforts. The Title IX coordinator's responsibilities are critical to the development, implementation, and monitoring of meaningful efforts to comply with Title IX.

While none of our Institutions employs pastoral or professional counselors, we are aware that an administrative staff might be perceived as a counselor. We encourage all employees to report crimes for inclusion in the annual disclosure of crime statistics.

Type & Frequency of Campus Security Procedures & Practicesⁱⁱⁱ

Annually, we inform students & employees of Campus Security Procedures & Practices in the classroom through a brief overview followed by a question & answer session.

During orientation of new students & employees, we address Campus Security Procedures & Practices verbally & direct each to the Annual Security Report.

As needed, we will make special announcements to re-enforce Campus Security Procedures & Practices.

Students at Non-Campus Locations of Student Organizations^{iv}

None of our Institutions have Student Organizations participating at Non-Campus Locations. Therefore, this Institution does not have any locations to monitor.

Emergency Response, Clery Act Crime, & Timely Warnings

This Institution will immediately notify the campus community (or a segment or segments of the campus community) upon the confirmation of a significant emergency, Clery Act crime, or dangerous situation involving an immediate threat to the health or safety of students or employees; including, but not limited to events occurring on the campus reported to campus security authorities or local police agencies and is considered to represent a serious or continuing threat to students and employees.

In the event that the Director of Schools determines that a situation constitutes an ongoing or continuing threat, campus-wide “timely warning” will be issued via the Remind program (www.remind.com).

Each campus’ community members -- students, faculty, staff, and visitors -- are encouraged to accurately and promptly report all crimes and public safety-related incidents to the administrative staff or to their local law enforcement agency.

Reports submitted to the administrative staff or local law enforcement agencies will be included in the annual disclosure of crime statistics and assessed for issuance of a Timely Warning Notice(s) when deemed necessary.

Witnesses and others are also encouraged to accurately and promptly report crimes and emergencies to the administrative staff or to local law enforcement when the victim of a crime elects to or is unable to make such a report.

What is a Timely Warning?

A timely warning is a short description of the crime or incident, time and date, location, reported offense, suspect description, and any other pertinent information pertaining to the crime. This timely warning will also include personal safety information to protect individuals from becoming victims. The timely warning will be distributed via public announcement and may include a memo to a bulletin board. If deemed necessary by the Director, other method of notification may be employed; including, but not limited to, flyers, notices on official school websites, and local media.

Institution Text & Email Notification Program

Text alerts are provided through the Kelley Education Inc. Student Information System (SIS). To be alerted by text of school closures or safety concerns, we ask that all students maintain communication with the SIS.

Text and email alerts are managed by school administrators, campus managers & educators. Text alerts regarding safety & announcements; including those required by unforeseen circumstances; such as, but not limited to school closures from weather.

Registering in the program is free & occurs at the time of enrollment. Detailed information is provided during Student Orientation.

Annual Test of Text & Email Notification Program

Each year, at least one test of the Text & Email Notification Program will occur. While this test usually occurs in September, additional tests may be announced for awareness & to assure the efficacy of the Emergency Alert Program.

The Daily Crime Log

We do not have a campus police or security department; therefore, we do not have a Daily Crime Log.

Security of & Access to Campus Facilities^v

Access is controlled through keys. Administrative & employees are keyholders. To provide greater security, the key locks are tumbled when a keyholder is separated from the corporation.

Students are not allowed on campus without an instructor or administrative staff person present.

Facilities are open during posted hours & for special occasions; such as, but not limited to con

Security Considerations used in Maintenance of Campus Facilities

To provide greater security, the key locks are tumbled when a keyholder is separated from the corporation.

The facilities of each school are regularly checked, by a staff member designated by the Director, to ensure pathways are well lit & entry points are maintained.

In the event an entry point is in need of maintenance, please contact the administrative staff. If the entry point does not receive needed maintenance, please contact the President at Robert@uofac.edu for all schools.

Missing Student Notification

None of our campuses offer student housing. However, Missing Students are of concern. If you are aware or believe a student is missing, please contact local law enforcement & make your campus staff officials aware. It is our policy to ensure that all law enforcement and others are notified promptly and in accordance with applicable state and federal law.

We will provide confidential contact information authorized officials needed in a missing student investigation.

Crime Prevention & Security Awareness^{vi}

Campus security & evacuation procedures are specifically addressed during student orientation & throughout the year as needed.

Our Institutions annually, & as needed, provide a presentation about Preventing Sexual Harassment through a purchased presentation from a compliance specialist. Additionally, we post posters to prevent crime.

Educational Programs & Campaigns to Promote Awareness of Dating Violence, Domestic Violence, Sexual Assault, & Stalking

At least annually each campus provides a classroom presentation & discussion to promote awareness of dating violence, domestic violence, sexual assault, & stalking.

This discussion is prompted through the use of a PowerPoint presentation.

Safe & Positive Options for Bystander Intervention

The Clery Act defines bystander intervention as, “Safe and positive options that may be carried out by an individual or individuals to prevent harm or intervene when there is a risk of dating violence, domestic violence, sexual assault, or stalking. Bystander intervention includes recognizing situations of potential harm, understanding institutional structures and cultural conditions that facilitate violence, overcoming barriers to intervening, identifying safe and effective intervention options, and taking action to intervene.”

All employees & students of our campus communities have a responsibility to create a safe, supportive, and inclusive learning environment. Bystander Intervention involves taking action in a situation when another individual needs help. This includes when someone may be at medical risk due to using drugs or alcohol, or vulnerable to sexual or intimate partner violence. To actively intervene, follow these steps:

1. Notice the event. Pay attention to your surroundings.
2. Interpret the event as a problem. Recognize that someone is being taken advantage of, vulnerable, or in danger. When in doubt, trust your gut, and intervene at the earliest possible point.
3. Take personal responsibility to intervene. If you don't intervene, it is unlikely that anyone else will.
4. Decide how you are going to intervene. Try not to put yourself at risk or make the situation worse.
5. Decide to intervene. Take action and intervene at the earliest possible point. If you are not able to fully intervene in a situation, consider responding by asking the victim if they need help or assistance, contacting the police, or seeking out others for assistance.

Types of Intervention:

- Direct intervention: Directly addressing the situation in the moment to prevent harm.
- Delegation: Seeking help from another individual. This may be someone who is in a role of authority, such as a police officer or campus official.
- Distraction: Interrupting the situation without directly confronting the offender by distracting the offender's attention or directing the potential victim away from the situation.

Most importantly, “If you see something, say something!”

Risk Reduction

The Clery Act defines risk reduction as, “Options designed to decrease perpetration and bystander inaction; increase empowerment for victims in order to promote safety; and help individuals and communities address conditions that facilitate violence.” Sexual assault, like all other forms of violence, is never the fault of the person assaulted. Below are some general safety tips to consider that may help you avoid or escape situations where someone is trying to harm or take advantage of you sexually or physically:

1. Be aware of your surroundings.
2. Listen to your intuition. If you feel like something is wrong, it probably is. Try to get out of the situation.
3. Don't be afraid to make a scene and yell, scream, or run for protection.
4. Remember, alcohol and drugs can impair your perceptions and reactions. Be especially careful when you drink, and when you're with someone who has been drinking.
5. Watch your beverage at all times. Date rape drugs are tasteless, colorless, and odorless. Victims don't know they have ingested these drugs until the effects are well under way.
6. Go with a group of friends when you go out to a party or to the bars, and look out for each other.
7. Speak up or call authorities if you see someone who could be in trouble.

Drug Abuse & Alcohol Prevention Program (“DAAPP”)

Included with the Annual Security Report

This Annual Security Report & Comprehensive Policy has been prepared by:

Robert Kelley, President

Kelley Education Inc.

For Publication on 01 October 2022

DAAPP Compliance

This Institution publishes a separate DAAPP Disclosure & Biennial Review. Information regarding Alcohol & Drug policies is additionally included within this report.

Alcohol & Drug Policies

The information in this section is in accordance with the Drug-Free Workplace Act of 1988 and the Drug-Free Schools and Communities Act Amendments of 1989.^{vii} For more information, please see https://www.dea.gov/pr/multimedia-library/publications/drug_of_abuse.pdf

Employee & Student Alcohol & Drug-Free Policy

Kelley Education Inc.'s Institutions are committed to maintaining an alcohol & drug– free environment for its students and employees in compliance with applicable federal, state, and local laws. Alcohol & Drug use/abuse in an educational environment is of immediate concern. From a safety perspective, the users of alcohol and/or drugs may be impaired & risk the well-being of all students, employees, & our clientele.^{viii}

Therefore, it is the policy of Kelley Education Inc., The unlawful or unauthorized possession, use, distribution, dispensation, sale, or manufacture of controlled substances or alcohol is prohibited on institution property or as part of any institution activity anywhere.^{ix}

Students or employees who violate federal, state, or local laws concerning drugs or alcohol are subject to criminal prosecution; those who violate our policies may also be subject to institutional sanctions or dismissal and, possibly referral for prosecution.

Suspicion of Alcohol or Drug Use

Any employee suspecting a fellow employee or student might be suffering from alcohol or drug use, should contact their supervisor. Behaviors which may suggest alcohol/drug abuse include (but are not limited to) the following:

- Repeated accidents (on- or off-campus);
- Repeated illness absences;
- Chronic lateness or early departures;
- Significantly diminished task performance (with no other explanation); and
- Odor of alcohol, slurred speech, unsteady gait, disorientation, paranoia, hallucinations, and other physical signs of impaired function, not caused by a known medical condition.

Substance Abuse Education Programs

We do not offer & are not qualified to offer substance abuse education programs; however, we offer our assistance to any employee or student in obtaining education about substance abuse & how to overcome addiction.

0-1-3 Rule

“0-1-3” is a responsible drinking rule taught on many college campuses to help students learn and remember safe drinking guidelines. The rule is: 0 if pregnant, under 21, or driving; 1 - no more than one drink per hour; and 3 - no more than three drinks per night. This educational tool and visual reminder to drink responsibly is helpful to remember.

Disciplinary Action

Under existing policies and in compliance with federal and state laws, employees are subject to disciplinary action, including discharge, for unauthorized consumption of intoxicating liquors on institutional time or property; inability to satisfactorily perform their assigned duties as a result of drinking alcoholic beverages; illegal use of drugs, narcotics, or intoxicants; unauthorized sale or distribution of drugs, narcotics, or intoxicants; or otherwise being unfit to perform job duties due to use of alcohol or illegal drugs.

Employees having a problem with controlled substances or alcohol should seek professional advice and treatment. Employees may seek help for a problem or obtain a list of counseling, rehabilitation, and assistance programs confidentially by contacting the President at Robert@uofac.edu. In some cases, an employee’s supervisor may direct the employee to request this information.

What if I’m convicted of a drug or alcohol offense that took place at work?

You must notify the Director within five days. If you are an employee working on a federal contract or grant and are convicted of a drug or alcohol offense occurring in the workplace, the University will notify the granting or contracting federal agency within ten days of receiving notice of your conviction. Employees convicted of a drug or alcohol offense involving the workplace may be disciplined or discharged under existing laws, policies and rules, or may be required to complete a drug rehabilitation program in order to continue employment at the University

I’m a student. What happens if I violate the University’s Drug Policy?

Students who illegally possess, use, distribute, sell, or manufacture drugs or alcohol are subject to University disciplinary action and may be dismissed from the University. To view the Student Standard of Conduct, please see the Student Catalog or visit our website.

Effects of Alcohol & Other Drugs on Health

Adverse health effects can range from nausea and anxiety to coma and death. There are risks associated with the chronic use of all psychoactive drugs, including alcohol. A pregnant woman who uses alcohol, cigarettes, or other drugs exposes herself and her fetus to serious risks, such as the risk of miscarriage, low birth weight, or brain damage.

Substance abuse may involve not only controlled substances and illegal drugs, but also alcohol and other substances that pose a health risk. When drugs are combined, their negative effects on the mind and body are often multiplied beyond the effects of the same drugs taken singly, which can be deadly. Some of the health effects associated with the use of alcohol and other drugs are provided in more detail below.

Alcohol

Alcohol is the drug most frequently abused. Even small amounts of alcohol can impair the judgment and coordination required to drive a car, increasing your chances of having an accident. Alcohol may be an interacting factor in the incidence of aggressive acts, including vandalism and assault and serious health problems, such as liver damage. Consuming moderate to large amounts of alcohol impairs your ability to learn and remember information. Because alcohol is a depressant, very large amounts can cause respiratory and cardiac failure, resulting in death.

Cannabis

Marijuana and hashish impair the user's short-term memory and comprehension. They can cause confusion, anxiety, lung damage, and abnormalities of the hormonal and reproductive systems. Hours after the feeling of getting high fades, the effects of cannabis on coordination and judgment may remain, heightening the risks involved in driving or performing other complex tasks. Cannabis, a fat soluble substance, may remain in the body system for weeks. An overdose or long-term use may bring about paranoia, panic attacks, or psychiatric problems.

Club/Designer Drugs

The terms "club drugs" and "designer drugs" refer to a wide variety of drugs including MDMA (Ecstasy), GHB, rohypnol (roofies), ketamine (special K), methamphetamine (meth), and LSD (acid). Research indicates that these drugs can cause serious health problems or even death. They can have even more serious consequences when mixed with alcohol. Club/designer drugs are also occasionally used or administered to facilitate a sexual assault.

Depressants

Barbiturates, benzodiazepines (e.g., valium), Quaaludes, and other depressants cause disorientation, slurred speech, and other behaviors associated with drunkenness. The effects of an overdose range from shallow breathing, clammy skin, dilated pupils, or a weak and rapid pulse that can result in coma or death.

Hallucinogens

Hallucinogens such as LSD, MDMA PCP (angel dust), mescaline, peyote, and psilocybin (shrooms) can cause powerful distortions in perception and thinking. Intense and often unpredictable emotional reactions can trigger panic attacks or psychotic reaction. An overdose of hallucinogens can cause heart failure, lung failure, coma, and death.

Narcotics/Opiates

Heroin, codeine, morphine, methadone, and opium are narcotics/opiates. There is a high likelihood of developing a physical and psychological dependence on these drugs. Health effects include anxiety, mood swings, nausea, confusion, constipation, and respiratory depression. Overdose may lead to convulsions, coma, and death. The risk of being infected with HIV, the virus that causes AIDS, or other diseases significantly increases if you inject drugs and share needles.

Stimulants

Cocaine/crack, amphetamines, and other stimulants can cause agitation, loss of appetite, irregular heartbeat, chronic sleeplessness, and hallucinations. All non-prescribed stimulants are extremely dangerous and psychologically and physically addictive. An overdose can result in seizures and death.

Tobacco

Nicotine, the active ingredient in tobacco, increases your heart rate and raises your blood pressure. The tar in cigarette smoke is a major cause of cancer and other respiratory problems. The carbon monoxide in cigarette smoke can promote arteriosclerosis. Long-term effects of smoking cigarettes may include emphysema, chronic bronchitis, heart disease, and lung cancer.

Illinois Laws That Apply to Alcohol & Drug Abuse

Recognizing that the abuse of alcohol and other dangerous substances can be harmful to the “peace, health, and welfare” of Illinois citizens [720 ILCS 570/100], the General Assembly implemented a series of laws that regulate the distribution and use of controlled substances. Below is a brief description of some of the state and federal laws used to regulate alcohol and other drugs.

Controlled Substances

The unlawful manufacture, delivery (includes sale), or possession of controlled substances is prohibited in Illinois through the Cannabis Control Act [720 ILCS 550/] and the Illinois Controlled Substances Act [720 ILCS 570/100]. The Cannabis Control Act establishes penalties in a sharply rising progression based on the amount of substance containing cannabis involved in each case [720 ILCS 550/1]. In regard to both Acts, penalties vary with: the amount of the drug confiscated, the type of drug found, the number of previous offenses held by the individual, and whether the individual intended to manufacture, deliver or possess with intent to deliver [720 ILCS 570/401] [720 ILCS 570/402] [720 ILCS 550/4] [720 ILCS 550/5].

Underage Drinking

The consumption of alcoholic liquor by any person under 21 years of age is illegal [235 ILCS 5/6-20]. It is also against Illinois law for anyone to permit a gathering at their residence at which one or more persons under 21 possess or consume alcoholic beverages, to rent a hotel or motel room for such purpose, or to sell or deliver alcohol to anyone under 21 or to any intoxicated person [235 ILCS 5/6-16]. It is also illegal for a person under 21 to present false identification in an attempt to purchase alcohol [235 ILCS 5/6-16].

Driving Under the Influence

Driving while under the influence of alcohol, drugs, intoxicating compounds, or any combination thereof is against Illinois law. The Secretary of State is authorized to cancel any driver’s license or permit upon determining that the holder has been convicted of violating the Cannabis Control Act, the Illinois Controlled Substances Act, the Methamphetamine Control and Community Protection Act, or the Use of Intoxicating Compounds Act while that individual was in actual physical control of a motor vehicle [625 ILCS 5/6-201].

Substantial penalties exist for individuals driving or physically controlling a motor vehicle with a blood or breath alcohol concentration of .08 or greater [625 ILCS 5/11-501.1]. Arrests are also possible at lower

alcohol levels if driving is impaired. These acts, depending on the circumstances, may incur penalties, such as a jail sentence, fines, or suspension / revocation of a driver's license. Transporting open alcohol containers in a motor vehicle is also punishable under Illinois law [625 ILCS 5/11-502].

Federal Laws That Apply to Alcohol & Drug Abuse

Possession and delivery (includes sale) of controlled substances is prohibited by the United States Code, Uniform Controlled Substance Acts [21 U.S.C. 801 and following]. Similar to Illinois law, individuals can be penalized on the quantity of confiscated drugs, the type of drug(s) found, the number of previous offenses by the individual, and whether the individual intended to manufacture, sell, or use the drug. Any individual who knowingly possesses a controlled substance that is in an amount that, as specified by regulation of the Attorney General, is a personal use amount shall be liable to the United States for criminal and civil penalties.

Dating Violence, Domestic Violence, Stalking & Sexual Assault^x

INSTITUTIONAL PROHIBITION OF SEX DISCRIMINATION, SEXUAL HARASSMENT AND SEXUAL MISCONDUCT

Kelley Education Inc. is committed to providing an educational and work environment that is free from all forms of sex discrimination, sexual violence, and sexual and gender-based harassment (collectively referred to as "sexual misconduct").

KEI prohibits and will not tolerate sexual misconduct of or by students, employees, clients, or visitors. KEI will take prompt and fair action to eliminate such conduct, prevent its recurrence, and remedy its effects through interim protective measures and accommodations, equitable investigations, and disciplinary processes.

Employees and students in violation of this policy may face sanctions up to and including termination or expulsion.

The administration, through its Title IX Coordinator, has the authority to conduct investigations, to determine when there have been violations of this policy based on the standard of preponderance of evidence, and then make recommendations in accordance with the relevant Institution policies for students, employees, patients, or visitors.

KEI encourages good faith reports of sexual misconduct and prohibits retaliation against any person who reports sexual misconduct and/or who participates in a Title IX investigation or resultant disciplinary process.

All employees are considered to be "Responsible Employees" with the authority and responsibility to report sexual misconduct to Institution Officials. Employees who are exempted from this reporting requirement are professional or pastoral counselors who provide work-related mental-health counseling, campus advocates who provide confidential victim assistance, and employees who are otherwise prohibited by law from disclosing information received in the course of providing professional care and treatment.

Healthy, Unhealthy, & Abusive Relationships

A relationship is healthy if each involved is supported in being the person they want to be. A relationship that limits, manipulates, or damages a person's sense of self is unhealthy and can be harmful or abusive. Be honest when assessing your relationship on the following factors – you owe it to yourself!

- Mutual respect means valuing your partner for who they are, not who you want them to be or become, and receiving the same from your partner. Does your partner say, do, and believe things that you can support? Or, is one of you trying to change the other? Trust is present if you can share your thoughts and feelings with another person without fear of being hurt physically, cognitively or emotionally. Can you be yourself without fear of criticism or judgment? Can your partner trust you in the same way?
- Honesty is about being truthful in your words. Do you tell the truth? Do you believe what your partner tells you?
- Support means helping your partner in being his or her best, and feeling you get the same in return.
- Fairness/equity – Do you almost always give? Or give in? Do you expect your partner to do it your way? Healthy relationships involve give and take, compromise, and negotiation by all parties.
- Separate identities – Relationships are healthy when each individual shares their true self with their partner. Each continues to grow both in and out of the relationship. If you feel like you are losing yourself or your unique identity, you may be in a harmful relationship.
- Effective communication is essential — don't get caught in the trap of believing your partner should know what you want, need, mean, or feel. Humans are rarely good mind readers, especially in intimate relationships. Do you and your partner take time to communicate? Does your partner really listen and work to understand you? Do you do this for your partner?

Harmful and abusive behaviors may come in many forms, and may include the following:

- Intimidation – actions, gestures, looks used to make another fearful
- Emotional abuse – name calling or humiliation causing the other to feel unworthy
- Isolation – limiting interactions and information in order to establish control
- Minimizing/Denying/Blaming – making light of the abusive behaviors causing the other to doubt their own feelings or perceptions
- Dominance – treating another as a lesser being and controlling all decisions
- Economic abuse – limiting another's access to work, money, food, or other resources to exert control
- Coercion or Threats – making threats to harm someone in order to control another's behaviors

Here are some rules for healthy sexual relationships:

- It is the responsibility of the person initiating sexual contact to ask for and clearly receive consent before acting.
- If someone is impaired by alcohol or another substance, that person is considered unable to make clear decisions about consent.

- If your partner expresses uncertainty or says no, it is your responsibility to STOP. Healthy sexual relationships are based on continuous communication about consent.

KEI prohibits conduct that violates Title IX of the Education Amendments Act of 1972 (“Title IX”), Title VII of the Civil Rights Act of 1964 as amended (“Title VII”), the Illinois Human Rights Act, the Illinois Preventing Sexual Violence in Higher Education Act, and supplements related institution policies and laws. Title IX states as follows:

No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance.

Unlawful discrimination on the basis of sex includes: (a) sexual harassment, (b) gender-based harassment, which is unwelcome conduct based on actual or perceived sex, or harassment based on gender identity or nonconformity with sex stereotypes, and/ or (c) all forms of sexual violence including, but not limited to, sexual assault, sexual battery, sexual abuse, sexual coercion, sexual exploitation, dating violence, domestic violence, and stalking (collectively referred to as “Sexual Misconduct”).

Sexual misconduct is the term used in this policy to encompass unwanted or unwelcome conduct of a sexual nature that is committed without valid consent. Also included in this term is any abusive behavior that arises out of an actual or perceived intimate relationship (e.g. domestic or dating violence and stalking). Sexual misconduct

Definitions

Confidential Reporting

A complainant may report sexual misconduct yet request confidentiality. If the complainant requests confidentiality or asks that the report not be pursued, the Title IX Coordinator shall take all reasonable steps to investigate and respond to the report consistent with the request for confidentiality or request not to pursue the investigation – as long as doing so does not prevent our responsibility to provide a safe and non-discriminatory environment to all individuals.

Upon a request for confidentiality, we shall inform the complainant: (i) if we cannot ensure confidentiality; (ii) that a confidentiality request may limit our ability to respond to the report, including pursuing disciplinary action against the alleged respondent; and (iii) that we prohibit retaliation and that such retaliation is subject to disciplinary action under this policy. The Title IX Coordinator is the responsible party for making determinations as to requests for confidentiality.

Consent

An agreement expressed through affirmative, voluntary words and/or actions, & mutually understandable to all parties involved, to engage in a specific sexual act at a specific time:

- Consent can be withdrawn at any time as long as it is clearly communicated
- Consent cannot be coerced or compelled by force, threat, deception, or intimidation

- Consent cannot be given by someone who is incapacitated
- Consent cannot be assumed based upon silence, the absence of “no” or “stop,” the existence of a prior or current relationship, or prior sexual activity

Dating Violence

Dating violence is violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim; where the existence of such a relationship is determined based on a consideration of the length of the relationship, the type of the relationship, and the frequency of interaction between the persons involved in the relationship.

Domestic Violence

Domestic violence consists of abusive behaviors that are committed by someone with a qualifying relationship with the victim.

Abusive behaviors include: emotional/ psychological, physical and/or sexual abuse, harassment, threats, intimidation, forcing someone to participate in illegal activities such as selling drugs or stealing, or depriving someone of necessities such as food or medicine.

The qualifying relationship includes a past or present spouse or intimate partner, a person with whom the victim shares a child in common; a person living in the same apartment, house or residence hall room or by a caregiver regardless of gender identification or sexual orientation of the abuser or the victim.

Incapacitated

A person is incapable of consent if they are unable to understand the facts, nature, extent, or implications of a decision due to drugs, alcohol, mental disability, being asleep, or unconscious, or based upon their age (subject to local law).

Sex Discrimination

Sex discrimination is adverse treatment of an individual based on sex or gender rather than individual merit or the prevention of access and equity due to the creation of a hostile environment.

Even a single incident of sexual harassment, gender-based harassment, or sexual violence such as sexual assault, dating violence, domestic violence, or stalking, if severe enough, can cause sex discrimination.

Sexual Assault

Any form of non-consensual sexual activity.

Sexual assault includes all unwanted sexual acts that range from fondling to attempted rape or rape. Rape is defined as penetration “no matter how slight” of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim.

Sexual assault also includes sex with minors (e.g. statutory rape or incest), sex between a minor (i.e. age 17 or younger) and a person who is 18 years or older & holds a position of authority over the complainant.

Sexual Harassment

Sexual harassment is defined as any unwelcome sexual advances, requests for sexual favors, or any conduct of a sexual nature when:

1. Submission is explicitly or implicitly made a term of condition of employment or educational environment; and
2. Submission to or rejection is used as a basis for making decisions about an individual's employment or education; or
3. Such conduct interferes with an individual's job performance, education OR constitutes a hostile work or learning environment observed by:
 - a. Sexual advances
 - b. Fondling
 - c. Shoulder massages
 - d. Pinching
 - e. Grabbing
 - f. Lewd gestures
 - g. Leering
 - h. Suggestive comments
 - i. Off-color jokes
 - j. Comments on physical attributes
 - k. Discussions of sexual exploits
 - l. Lewd voicemail messages; emails; texts; or posts/overtone on social media
 - m. Displays of sexually suggestive pictures, photos, cartoons, screen savers

Sexual Misconduct

Sexual misconduct is a broad term used to encompass conduct that may cause sex discrimination through sexual or gender-based harassment, or sexual violence such as dating violence, domestic violence, sexual assault or stalking.

Stalking

Engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for their safety or the safety of others or to suffer substantial emotional distress.

Stalking may be comprised of legal and illegal behaviors that occur over time and are harassing in nature because of their content, frequency, and unwelcome nature. Stalking may be an outgrowth of domestic violence, an attempt to pursue a relationship, or arise out of a conflict or dispute.

Stalking behaviors may include but are not limited to, acts in which the stalker directly, indirectly or through third parties, by any action, method, device or means, follows, monitors, observes, surveils, threatens or communicates to or about a person, or interferes with a person's property.

Preparation of Crime Statistics

Policy:

1. Approximately 30 days before October 1st each year, we contact local police departments via email or letter, according to their preference, & ask for Clery Data regarding our Clery Geography.
2. We keep a record of the request & the reply within our files.
3. We include the results within an Appendix to this report by each campus.
4. This report is used in completing the IPEDS report.

6. In all cases of Institutional disciplinary proceeding, both the accused & the accuser will receive written notification of any result. The Victim does not need to request this notification, it will be provided.

10. The right to restitution.

Victim's (Survivor's) Rights Under AR Law

The Arkansas Crime Victim Rights Law became effective on January 1, 1998. This law mandates certain basic rights for people victimized by crime. The law does not apply to all crimes, but only certain crimes and certain victims, including:

- a victim who is a minor
- a victim of a sex offense
- a victim of any felony resulting in physical injury to the victim
- a victim of any felony involving the use of a deadly weapon
- a victim of terroristic threatening in the first degree
- a victim of stalking

If the victim is a minor, incapacitated, or deceased, a member of the victim's family may exercise the rights of the victim.

Victim Information - The Crime Victim Rights Law protects information about victims. A court cannot compel a victim to give his or her address or place of employment in open court, except when the court decides it is essential to the case. Law enforcement agencies cannot disclose information to the public about the identity of the victim of a sex crime except under limited circumstances. The address and telephone number of the victim is also protected from release under the Freedom of Information Act.

When property of the victim is seized and used as evidence, the agency holding the property must take reasonable care of the property and promptly return it to the victim when it is no longer needed as evidence.

Employers cannot discharge or discipline a victim of crime for assisting the prosecutor in preparing the case or for attending court if it reasonably necessary to protect the victim's interest.

Information from Law Enforcement - Law enforcement agencies responding to crime incidents are required to inform victims in writing of their rights under this law. Officers must inform victims of the availability of services such as medical, housing, counseling, financial, social, legal, and emergency services. In addition, officers must inform victims about how to obtain orders of protection, how to access public records related to the case, and about the Arkansas Crime Victims Reparations Board (including the address and phone number).

As soon as it becomes practical, law enforcement officials must also inform the victim of the suspect's identity and custody status (in custody, escaped, transferred, released and the conditions of release, etc), unless this information compromises the investigation. Victims also have the right to know the case file number, the investigating officer's name, office address, and telephone number, and the prosecuting attorney's name, office address, and telephone number.

Pre-sentence Report - A pre-sentence report is a detailed account of a convicted defendant's educational, criminal, family, and social background conducted as an aid to the court in determining the sentence. The person preparing the pre-sentence report for the court shall make a reasonable effort to confer with the victim.

Presence in Court - Victims of crime have the right to be present in court whenever the defendant appears, other than at a grand jury proceeding. If the victim requests, the court shall also allow the presence of a person to provide support for the victim in the courtroom. However, if the court decides that the victim's presence or the presence of the support person may jeopardize the defendant's right to a fair trial, the court can exclude either or both of them.

Information from Prosecuting Attorney - If requested by a victim, prosecuting attorneys are responsible for notifying crime victims of critical events occurring in their cases. This notification can be given orally, in writing, or automatically through the Arkansas VINE system. Victims are responsible for giving the prosecutor's office their address and phone number, and for updating this information if it changes.

Upon request of a victim or the victim's family, prosecutors are to notify victims of the following:

- Information on relevant criminal justice procedures

- Information about the crime with which the defendant has been charged
- The file number of the case, the prosecuting attorney's name, and office address and phone number
- Motions or hearings to establish or reduce bail or authorize pre-trial release from custody
- Proceedings on plea agreements
- Date, time, and place of defendant's trial
- Motions that may substantially delay prosecution
- Cancellation of court proceedings
- Pre-sentence report function and the defendant's access to the report
- Victim impact statement information
- Information on all sentencing proceedings
- Notice of sentence imposed or modifications to that sentence
- Reconsideration hearings of an imposed sentence
- Date, time, and place of the defendant's appearance before a judicial officer
- Information from custody institutions

Prosecuting attorneys should confer with the victim of the crime before amending or dismissing a charge or agreeing to a negotiated plea. However, failure of the prosecuting attorney to confer with the victim does not affect the validity of an agreement.

Prosecuting Attorneys or Victim Assistance Coordinators should provide the following services to victims:

- Assistance in obtaining protection from harm and threats of harm arising out of their cooperation with law enforcement and prosecution efforts
- Assistance in applying for financial aid and other social services
- Assistance in applying for witness fees
- When possible, a secure waiting area during court proceedings that does not require victims to be in close proximity to the defendant and family and friends of the defendant
- Involvement with the victims' employers to ensure that they cooperate with the criminal justice process in order to minimize loss of pay and other benefits resulting from court appearances

Information Concerning Appeal - If the defendant appeals, or seeks post-conviction remedies, the Attorney General should inform the victim of that fact, of the date, time, and place of any hearing, and of the decision. These notifications may be accomplished through the Arkansas VINE system.

Information Concerning Confinement - In order to receive information from custody institutions, victims must request that they be notified. The Crime Victim Rights Law requires the Arkansas Department of Correction, the Arkansas State Hospital, and any other facility to which the defendant is committed to notify victims of the following:

- Estimated date of the defendant's release

- Date of Release of the defendant on furlough or to a work-release, half-way house, or other community program at least 30 days in advance of the release
- Escape
- Recapture from escape
- Decision of the Governor to commute the sentence or to pardon the defendant
- Release of defendant and any conditions attached to the release of the defendant
- Death of the defendant during confinement

Information from the Parole Board - At least 30 days before a hearing, if requested by the victim, the Board shall inform the victim of the hearing and of the victim's right to submit a Victim Impact Statement. The Board shall also inform the victim of their decision concerning the defendant. The law requires the Board to consider the Victim Impact Statement before determining whether to release the defendant on parole.

The victim can choose to present the statement orally at the parole hearing or in writing. Because defendants may become eligible for parole every year, under certain circumstances victims may offer impact testimony via videotape. The Board is required by law to provide the defendant with copies of the victim's written impact statement.

It is the responsibility of the victim, or his or her next of kin, to notify the Board of any change in regard to the desire to be notified of any future parole hearings, or change in address or telephone number.

Arkansas Victim Notification Program (VINE)

When the Arkansas Legislature passed the Crime Victim Rights Law, it also created a program to allow agencies to accomplish victim notifications reliably and efficiently through a program known as the Arkansas VINE (Victim Information and Notification Everyday) Program. This program is administered by the Arkansas Crime Information Center.

VINE is a free automated telephone hotline that provides crime victims with vital information and notification 24 hours a day, 365 days a year. The service allows victims to obtain offender information and to register for notification of inmate custody status changes, parolee/probationer status changes, and court events.

VINE serves crime victims in two ways. First, it can be used as an information line. The system monitors the custody status of criminal offenders in the Arkansas Department of Correction, the Arkansas State Hospital, and county jail facilities statewide. Crime victims calling the hotline are informed about whether an offender is in custody. If the offender is in custody, the system tells the victim the name and telephone number of the agency holding the inmate. VINE also tracks the status of those probationers convicted of sexual or violent offenses and all parolees. If the offender is on parole or probation, the system informs the victim of the county where the parolee/probationer resides as well as which parole office he/she is assigned to.

Court information is also available through VINE. Prosecuting attorneys throughout the state enter circuit court event information into the system. The Attorney General's Office provides appellate court

information to the system. In order to obtain court information, a victim must first have the circuit court case number. The prosecuting attorney's office handling the case or the county clerk's office can provide the number. Once the circuit court case number is identified, the system will give callers the next scheduled court event, date, time, court location, and telephone number.

The second way the system serves crime victims is notification. By dialing the hotline number or visiting www.vinelink.com, victims can register to receive automatic notification upon a change in the inmate's custody status, parole/probation status, or court case.

To register for notification, a victim can call the toll-free hotline number (1-800-510-0415) or visit the website at www.vinelink.com. The offender or court case can be located using a touch-tone telephone or visiting the website and following the directions given. Once location is made, the telephone number to which victims want the system to call with notifications is entered. Victims are then asked to enter a Personal Identification Number (PIN). This is a four-digit number the victim chooses and uses to stop a notification when it is received. If victims have problems registering or obtaining information through the phone system, they can press "0" and a live operator will assist them 24 hours a day.

Once registered, notification calls are made by the system approximately every 30 minutes for 24 hours or until the victim enters the PIN. The system will also leave a message on an answering machine. All telephone registrations through the Arkansas VINE Program are anonymous and are protected from the Freedom of Information Act.

Downers Grove Police Department

Downers Grove, IL 60515

Under the federal *Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act)*, postsecondary schools are required to disclose statistics for certain crimes that occurred on campus and on public property within and immediately adjacent to school-owned buildings and property. In the statistics we are required to include crimes that were reported to our department as well as crimes reported to local and state law enforcement agencies.

I am requesting that your department provide me with **crime statistics for 2021** for the following offenses that occurred on our campus or on public property within and immediately adjacent to our property:

- Murder/Non-negligent Manslaughter
 - Manslaughter by Negligence
- Rape
- Fondling
- Incest
- Statutory Rape
- Robbery
- Burglary
- Aggravated Assault
- Motor Vehicle Theft
- Arson

Please specify if any of the above-listed offenses were categorized as Hate Crimes. In addition, please include statistics for any incidents of Larceny-Theft, Simple Assault, Intimidation, or Destruction/Damage/Vandalism of Property that were classified as Hate Crimes. I also need the category of bias for each Hate Crime according to the eight categories for which we are required to report: Race, Religion, Sexual Orientation, Gender, Gender Identity, Disability, Ethnicity, and National Origin.

Please include statistics for **arrests** only for the following Uniform Crime Reporting (UCR) categories:

- Liquor Law Violations
- Drug Abuse Violations
- Weapons: Carrying, Possessing, Etc.

Please include **separate** statistics for all incidents of Domestic Violence, Dating Violence, and Stalking. For *Clery Act* reporting, we are required to use the following definitions for these terms:

Domestic Violence: The term “domestic violence” includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction.

Dating Violence: The term “dating violence” means violence committed by a person— (A) who is or has been in a social relationship of a romantic or intimate nature with the victim; and (B) where the existence of such a relationship shall be determined based on a consideration of the following factors:

- (i) The length of the relationship.
- (ii) The type of relationship.
- (iii) The frequency of interaction between the persons involved in the relationship.

Stalking: The term “stalking” means engaging in a course of conduct directed at a specific person that would cause a reasonable person to—(A) fear for his or her safety or the safety of others; or (B) suffer substantial emotional distress.

I am requesting the required statistics for the following areas that are considered to be “on campus”:

- ❖ 1037-1042 Curtiss St.
Downers Grove, IL 60515
- ❖ The sidewalk and street in front of the building, and the sidewalk in front of the Downers Grove Public Library.

I would appreciate it if you would forward this information to me as soon as you get an opportunity. We are in the process of publishing our annual report, and we will need to include these statistics in the final draft. In addition, if a serious crime that may cause an ongoing threat to our campus community is reported to your department, we would appreciate it if you would notify us immediately.

The institution has a legal responsibility to notify the campus community in a timely manner about any crimes and immediately around the campus that pose an ongoing threat to the community.

Thank you for your attention to this matter.

Sincerely,

Leigh Anne Kelley
