

# STATE AUTHORIZATION DISCLOSURE

## AESTHETICS, COSMETOLOGY, & INSTRUCTOR LICENSES

State licensing laws, requirements and reciprocity differ with each state. University of Aesthetics & Cosmetology campuses are located within Illinois & Arkansas. University of Aesthetics & Cosmetology's programs are in compliance with the state in which they are licensed. If you plan on moving and practicing outside the state, you will have to meet additional requirements in other states in order to be licensed.

This [link](#) provides information on licensing requirements by state; training hour requirements; required exams; how to apply for your cosmetology license; maintaining your cosmetology license; certification vs licensure; & cosmetology license renewal.
