

EMERGENCY TEXT ALERT TEST & EVACUATION DRILL

At least once annually, this Institution conducts an Emergency Text Alert Test & Evacuation Drill Test. This Institution issues emergency notifications to the campus community when there is a confirmed immediate threat to the safety of those on campus. Such threats may include an active individual intending to do harm, a natural disaster, severe weather, or other time-sensitive safety concerns. These alerts may also be used for campus closures or delayed starts.

Campus (please check)	Supervised by:	Date
University of Aesthetics & Cosmetology 1357 N Milwaukee Ave. Chicago, IL 60622	Jennifer Guarnero	
<input checked="" type="checkbox"/> University of Aesthetics & Cosmetology 1037-1043 Curtiss St. Downers Grove, IL 60515	Emily Dykema	10/31/2024
University of Aesthetics & Cosmetology 460 N Washington Ave El Dorado, AR 71730	Jill Hanry	

Yes	No	Statement	Comments:
